25X1 9. [] met with Mr. Charles Johnson, counsel for the House Post Office and Civil Service Committee, to review Agency suggestions concerning H. R. 5007, the Overseas Differential and Allowances Act. Also present were Mr. Dave Carper of the Committee staff and Mr. Ed Sapayrac, Defense Department. The principal changes suggested by the Defense Department involve the insertion of a new definition of the United States which would include Alaska and Hawaii. This term would be in addition to the term "continental United States" already in the bill and which ~~includes~~ ^{excludes} Alaska and Hawaii. This change would not, according to Defense, change the original policy provisions of the bill. We are reviewing H. R. 5007 with this change to determine its effect on the Agency. Mr. Johnson indicated that the Committee desired to put in the bill whatever was needed by CIA. He was given a preliminary draft of our suggestions. A final proposal will be given him in the next few days.
